

"BUSHEL'S OF BLOOM"

"Bushels of Bloom" was the theme of the tenth annual hibiscus show of James E. Hendry chapter in Ft. Myers. They had literally bushels of them too. The picture on the next page is a scene looking the length of the hall. If you will look close you will see a large rainbow of bloom on the back wall. Wonder how many bloom it took to make it.

The sweepstakes was won by Mr. Robert A. Bowman of Daytona Beach for the amateurs and by Trail Nursery of Ft. Myers for the commercials. The best seedling single was grown by Trail Nursery and this seedling was also chosen the best commercial bloom of the show while Mr. L. K. Thompson of Bartow, Florida grew the best double seedling. The best amateur single was grown by Mrs. Sam Teague of Vero Beach and was also picked as the best amateur bloom of the show. She won with a Janet Walton. The best amateur double was grown by Mr. Robert A. Bowman, a June Bride. The best commercial single was a Nagao #20 grown by Trail Nursery, while Hibiscus by Hudson Nursery of Daytona Beach entered the best commercial double, a Kathy.
